Subject:- Exemption from payment of house tax to P.W.Officer's quarters at Sagadi, Koppa.

Sir,

I have the honor to forward herewith a copy of letter No.1027 dated the 3rd January 1934 together with the copies of its enclosures received from the Superintending Engineer, Shimoga Circle, on the above subject.

2. The Comptroller who was consulted in the matter is of opinion that the house tax has to be paid to the Panchayet as the Public Works Officer's quarters are obviously within the village Panchayet jurisdiction and it does not appear that exemption is covered by any rule or Law.

3. I therefore request you in the circumstances explained by the Superintending Engineer to kindly obtain the sanction of Government for exclusion of the quarters from the Village Panchayet.

I have the honor to be,
Sir,
Your most obedient servant,

M.C.P.

Chief Engineer of Mysore.

Letter No.1027 dated 3rd January 1934 from the Superintending Engineer, Shimoga Circle, to the Chief Engineer of Mysore Bangalore.

Exempting P.W.Officers quarters at Balagady, Koppa from payment of House tax.

I have the honor to submit herewith for favour of orders a copy of letter No.653 dated the 23rd December 1933 received from the Executive Engineer, Kadur Division requesting that the P.W.D. Officer's quarters at Balagady, Koppa may be exempted from the levy of house tax by the Panchayat for reasons therein given.

The colony has its own lighting, water supply and scavenging arrangement maintained at the cost of the P.W.D.

Letter No.653 dated the 23rd December 1933 from the Executive Engineer, Kadur Division, to the Superintending Engineer Shimoga Circle.

In submitting herewith a copy of letter No.508 dated 15-12-1933 received from the Assistant Engineer, Koppa in regard to the proposed levy of House tax on the P.W.D. Officers quarters at Balagady by the Koppa Village Panchayet, I have the honor to state that though under para 127 of the Mysore P.W.D. Code the building is liable to be assessed with Municipal taxes yet in the circumstances explained by the Assistant Engineer that the street lighting, water supply and conservancy connected with the building are all looked after not by the Village Panchayet but by the P.W.D. and in view also of the building being used both for locating the Sub Division Officers's office and for his residence as well it seems that the contemplated tax is not quite justifiable. I request therefore that you will kindly obtain necessary orders to get the building exempted from the levy of the proposed tax.

Letter No.508 dated 15th December 1933 from the Assistant Engineer, No.III Sub Division, Koppa, to the Executive Engineer Kadur Division.

I have the honor to enclose herewith letter dated 14-12-1933 from the Chairman, Koppa Village Panchayet stating that it is resolved in the meeting to ley a house tax of Rs 10/- to my quarters (P.W.D. Officer's quarters at Balagady) on enquiring whether there is any objection to the tax etc., and to state in reply that the street lighting, water supply and conservancy of the colony are looked after by the Government in P.W.D. and hence the contemplated tax is not justifiable. If the tax is payable as per rules it has to be charged to the A.R. grant of the building. Early orders are solicited to reply finally the Chairman, Village Panchayet suitable on the subject.
